(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, LEO E MARSH, of the M/V WEDDELL, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

Immigration Officer.

Leo E Marsh

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, JAMES H. CONNELLY, MASTER of the USACS "ALBERT J. MYER", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

January, 1955
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1953)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

J. J. CONNELLY Master Commanding Officer.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Master, of the San Antonio, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

1948

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION ACT OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names and addresses of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged as being in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all such aliens employed on such vessel who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien in default of such delivery or report, or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the facts in such case; and if the sum of \$10 is not paid, or if it is determined that such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. EXTRACT FROM IMMIGRATION ACT OF FEBRUARY 5, 1917

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival a list containing the names of all aliens employed on such vessel, stating the reasons for their respectively being on the ship, whether they were engaged in the service of the vessel, or of the company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged, and those in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the arrival of any such vessel the principal immigration officer shall be the duty of the owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all aliens who have been shipped or engaged on such vessel, and who are to arrive but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerned, to be retained until a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability of the owner, agent, consignee, or master to such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____, do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage.
I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and
copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Master, First or Second Officer.

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crew (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees: when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman, which inspection in all cases shall include a personal physical examination by the medical examiner, or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

(43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

EXTRACT FROM IMMIGRATION ACT OF FEBRUARY 5, 1917.

Sec. 86. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, master, or co-master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the position of each alien in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival. It shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to the principal immigration officer a list containing the names of all alien employees who were not employed thereon at the time of the arrival but who have departed therefrom since the time of the arrival, together with any information likely to lead to their apprehension. If any such alien has been paid off and discharged and of those, if any, who have deserted or landed, and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question whether or not such owner, agent, consignee, or master has paid such fine, and, in the event such fine is imposed, while it remains unpaid, no such vessel shall be permitted or refunded: Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

*When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

LIST OR MANIFEST OF PERSONS EMPLOYED ON THE VESSEL AS MEMBERS OF CREW Required under immigration and Nationality Act, to be delivered to the United States immigration officer by the representatives of any vessel upon arrival in the United States (Include names of all crewman whether they be aliens or citizens or nationals of the United States)

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(c) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, George Farrell, of the W. V. Smith, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

day of 1-8

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, T. Murakami, Chief, Managing & Agency Sec., of the Yamashita Steamship Co., Ltd., do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

T. Murakami, Chief, Master, First or Second Officer,
Managing & Agency Sec.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Jessie B. Meagher
Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H. J. HELLMAN, MASTER, of the AMER OIL SCREW F. F. LOVE JOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this NINTH day of JANUARY, 19 55
[Signature]
 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien membership of crew (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all persons employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.* (39 Stat. 896-897, 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of inability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may upon application in writing therefor mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165; 58 Stat. 816, 8 U. S. C. 167 a, 167 c)

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

1955

Master, George H. Harris

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 251. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Elou Barbeau, of the Hercules, do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted
the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

January, 1955
Elou Barbeau
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively held in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H. J. HELLMAN, MASTER, of the AMER OIL/SCREW F.F. LOVFOJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this TWELFTH day of JANUARY, 1955
Thos. W. Lane
 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has been employed on such vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **George Pederson, Master**, of the **M S Lightning**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

13 day of January, 1935
[Signature]
 Immigrant Inspector.

George Pederson
 Master

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, commanding master, or commanding officer thereof to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port, but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

**STATEMENT OF MASTER OF VESSEL REGARDING CHANGES IN CREW
PRIOR TO DEPARTURE**

[illegible]

W. S. COLEGROVE
Acting Emp. Superintendent

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Frederick S. Collins of the Can. Tug No. La Force, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of 14 January, 1955

Walter J. Lane
Immigration Officer.

F. S. Collins
Master, Pilot or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

[illegible]

from this port, I will report such

Master-Commanding Officer.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John Martin, of the SS Mother M.L., do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

John R. Kearney
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

I, Robert Lamb, of the S.S. Taylor's Inquiry, do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted
the extracts from the Immigration and Nationality Act, which appear below.

~~Master First or Second Officer~~

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, W. A. C. C. T. A., of the W. A. C. C. T. A., do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

Master, First or Second Officer.

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-166, 58 Stat. 616; 8 U. S. C. 167 (a), 167 (c).)

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, E. I. Knox, of the M/V Sea Serpent, do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted
the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

January, 1955

Master, Master or Second Officer.

Jack Kearney
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Rough Wylke, of the British S.S. Victoria Star, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this _____ day of _____, 19____.

Immigration Officer.

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Master—Commanding Officer.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H. J. HELLMAN, MASTER, of the AMER OILSCREW F.F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this SIXTEENTH day of JANUARY, 19 55

H. J. Hellman
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, William J. Smith, of the Ben Hur, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

January, 1955

Master, First or Second Officer

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **NICHOLAS N. ANDREEV** MASTER of the **S.S. CANADA MAIL**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this **19th** day of **JANUARY**, 19**55**

Master, **NICHOLAS N. ANDREEV**

Robert H. ...

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I 489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered likely to lead to his apprehension; and if any alien landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman, on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

[illegible]

Master—Commanding Officer

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, STUART A. TULLOCH, MASTER, of the AMER OIL/SCREW F.F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this NINE day of JANUARY, 19 55

 Master, First or Second Officer.

 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States to detain or deport after requirement by the immigration officer or the Attorney General, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Frederick L. Collins, of the Can. Sug. M/V La Force, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

F. L. Collins
Master, First or Second Officer

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John P. Finney, of the CNAK LAYMOE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 17 day of Nov, 1935

John P. Finney
Master, First or Second Officer

Immigrant Inspector

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I 489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid, nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 54 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Arthur Thomas, of the Master, First or Second Officer, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 21 day of July, 1948
Richard H. Sullivan
 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Master, of the Wardell Foss, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 21st day of June, 1955
Robert H. Carls
 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Master, John F. Smith

Immigration Officer

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1 489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, STUART A. TULLOCH, MASTER, of the AMERICAN OIL/SCREW F.E. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this TWENTY SECOND day of

JANUARY, 19 55

Stuart A. Tulloch
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John Hulet, Master of the MV "B. J. ...", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

23 day of January, 1955
[Signature]
 Immigration Officer.

John a Hulet
 Master

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage, I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

Master, First or Second Officer

Point N. of McIntosh

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, George Farrell, of the U.S.S. Sciras, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 27 day of March, 1947.
George Farrell Master, First or Second Officer.
W. H. Smith Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Master - Commanding Officer.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, G. Relling, of the Am. OS. Vitaric, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

24th

day of

January

1955

Master, G. Relling

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Adelino Prince, of the Amelia Prince, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 11th day of January, 1952,
A. Prince Master, First or Second Officer.
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

I, ANDREW HAUGEN, Master, of the USNS H. B. FREEMAN, from Yokohama, Japan
(State whether Master, or First or Second Officer)

do solemnly swear that I have caused the surgeon of the said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing manifest sheets; that from the report of the said surgeon and from my own investigation I believe that no one of the said aliens is of any of the classes excluded from admission into the United States by the laws regulating immigration; and that also, according to the best of my knowledge and belief, the information contained in the said lists Nos. 101 to 106 of United States citizens and nationals and manifests Nos. 1 to 4 of aliens concerning each of the persons named therein is correct and true in every respect. I do further solemnly swear that, to the best of my knowledge and belief, the said vessel is owned by COMSTSNORPACSUBAREA, whose address is Pier 37, Seattle, Wash.; that the local agents for the said vessel for the trip reported in this manifest are COMSTSNORPACSUBAREA, whose address is Pier 37, Seattle, Wash.; and that any transactions concerning head tax for alien passengers shown by this manifest should be made with _____, whose address is _____

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **ANDREW HANSEN**, of the **USNS GENERAL H. P. FREEMAN (T-AP 113)**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 26 day of December 1953

Immigrant Inspector

IMPORTANT NOTICE TO MASTER

The list described below will be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspectors at the time of the vessel's arrival at the port of arrival, and shall be taken from the vessel. The list of changes of name from before to after March 1899 shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arrival is a steamer, a "workbook" is attached to the list which should be made on the manifest. In order to facilitate inspection of all passengers, complete names of arriving Americans (both seamen as well as aliens

(b) Proof that a person did not interfere upon the foregoing receipt of the assets is an affirmative defense in the United States District Court proceedings. However, as that is not a defense to the master of the vessel's responsibility to deliver the assets, the vessel must obtain or deposit after receipt of the assets a "good" or other form of the Attorney General's financial order.

(c) If the Attorney General finds that depositing a "good" or other material in the vessel's possession or control would cause an undue hardship on the vessel, he may cause it to be deposited in a third party, at the expense of the vessel, who will be deemed, as such, to have obtained or deposited the assets. Such expense has been paid in its payment proceeding to the satisfaction of the Attorney General.

Aliens SEAMEN SIGNED ON AT THIS PORT

[illegible]

I acknowledge this reference to section 36 of the Immigration Act of February 5, 1917, imposing a fine of \$10 for each change in crew not reported by me. I certify on honor that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before my vessel sails from this port, I will report such changes to the immigration authorities.

W. S. Colegrove
Ed. Marine Placement & Rec Sec ~~Master~~

EXTRACT FROM IMMIGRATION ACT OF FEBRUARY 5, 1917

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **M. E. English**, of the **American Steam Tanker "J. L. Hanna"**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of **January**, 19**55**

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **STUART A. TULLOCH**, MASTER, of the **AMER OIL/SCREW F.F. LOVEJOY**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this **TWENTY SIXTH** day of **JANUARY**, 19 **55**

 Master, First or Second Officer.

 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-189) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, KYO YAMAZAKI, MASTER, of the MY OLIMPIC MARU, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

K. Yamazaki
Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "Workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at that time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless

an alien crewman has been permitted to land temporarily under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs: upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this subsection shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at that time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless

an alien crewman has been permitted to land temporarily under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs: upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this subsection shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded; *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164; 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section as amended shall apply to all penalties arising subsequent to June 3, 1910.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165; 58 Stat. 816; 8 U. S. C. 167.)

CREWMEN SIGNED ON AT THIS PORT (if no entries, write "none" on first line)

[illegible]

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **Edward G. Crowe**, Master, of the **M. V. SHOOTING STAR**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Immigrant Inspector.

Master, ~~THOMAS SCOTT~~

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Master, of the S.S. FLYING SCUD, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 27th day of June, 1953

Robert H. Eastman

Immigration Officer.

R. S. R. Allen
Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

ALL CREWMEN SIGNED ON AT THIS PORT
PREVIOUS TO ARRIVAL.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

Master—Commanding Officer.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Arthur Gallant, of the M. V. Le Mars, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Master—Commanding Officer.

Human Power Inspection

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I 489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "work away" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

See, e.g., *Neidenham v. United States*, 194 F.2d 811, 812 (1st Cir. 1954), cert. denied, 353 U.S. 923 (1957), where the United States, under the immigration laws, employed a board of review to determine if an alien in the United States from any place outside the United States should be permitted to land in the United States, except on temporary or medical grounds, pursuant to such regulations as the Attorney General may prescribe for the ultimate departure from and re-entrance to such alien from the United States. 48 Stat. 164, 181, 5 U.S.C. § 166.

§ 290.20. (b) The owner, charterer, or master of any vessel arriving in the United States from any place outside the United States to detain on board any alien, seaman employed in such vessel, or any other person, shall, before the immigration officer at the port of arrival has inspected such seaman, such inspection in all cases shall include a personal physical examination by the medical examining officer at the port of arrival to obtain such examination by a doctor, such inspection or to depart such seaman if required by such immigration officer at the Attorney General's direction, shall pay to the collector of customs at the customs district at which the port of arrival is located the sum of \$1,000 for each alien or seaman, or for each other person, who remains in custody. No vessel shall be granted clearance pending the determination of the liability to payment of such sum, or where the sum remains unpaid, except that clearance may be granted prior to the determination of such question in the event the sum is sufficient to cover such bond, and of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing, order an interest-free cash penalty of not less than \$200 for each seaman in respect of whom such alien remains upon arrival, to be paid by the Attorney General in his discretion should that proper. This section as amended shall apply to all ports of arrival subsequent to June 5, 1940.

(b) If the alien seaman does not appear upon the outgoing manifest of the vessel in which he arrived in the United States in any way, place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to obtain a passport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel in which he arrived would cause an hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel in which he arrived, and such vessel shall not be granted clearance until such expense has been paid, or its payment guaranteed to the satisfaction of the Attorney General.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, THOMAS PINELL, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of Section 36 of the Act of February 5, 1917, extracted from Title 8, Code of Federal Regulations, and copy of Sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

27 day of January, 1935.
Robert J. [Signature]
Immigration Inspector

[Signature]
Master, First or Second Officer

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "work away" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged at the port of arrival, or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed, and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master, shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid, nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897, 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees. When clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896, 8 U. S. C. 171) have been furnished, and not then unless notice of liability to the punitive fine prescribed by said section as to that prescribed by section 35 of said Act (39 Stat. 896, 8 U. S. C. 169) having been served, the deposit specified in §§ 160.14-160.17 has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving at the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such conditions as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charter, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof, is liable to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a physical examination by the medical examiner, or who fails to detain such seaman on board until such inspection or to deport such seaman as required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon notification in writing thereof, mitigate or remit the penalty, but not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section as amended shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States at any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or report after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be reported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 88 Stat. 816, 8 U. S. C. 167, as amended.)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John J. McLaughlin of the U. S. S. R. F. S. T., do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, C. Rogers, of the 116 St. Louis, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in § 160.13-160.17, has been made.

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164; 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165; 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (41 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Master of the SS Neride, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Swear to before me this 29th day of January, 1955
Robert H. Euteneier
 Immigrant Inspector

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 26. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, with any information likely to lead to his apprehension; and if any alien has been landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who have left the vessel at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$40 for each alien concerning whom correct lists are not delivered or a true report is not made as above required, and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine; and, in the event such fine is imposed, while it remains unpaid, nor shall such fine be remitted or refunded: *Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.* (39 Stat. 896-897, 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896, 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in § 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section as amended shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816, 8 U. S. C. 167 (a), 167 (c).)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may upon application in writing therefor mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section as amended shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 48 Stat. 816, 8 U. S. C. 167(a), 167(c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert V. Smith, of the Cape Robert R. R. R., do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively held in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Master, of the M/S "SHEPODY", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

31st

day of

January

1955

Master, First or Second Officer.

E. L. Walker
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively held in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **JOHANNES SNOGLAND**, MASTER of the **NORWEGIAN M/S "ELISABETH BAKKE"**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

February

1955

Master, **JOHANNES SNOGLAND**

Robert H. Glavin

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-189) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

IMMIGRATION SERVICE
SEATTLE, WASH.
1955 FEB -8 AM 9:52

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **Captain P. G. Ånsberger**, Master of the **Swedish M/S LIONS GATE**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

1st

day of

February, 1955

Richard R. Hutton
Immigrant Inspector

Master, *P. G. Ånsberger*

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

Master—Commanding Officer.

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all persons who are not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft, and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or been discharged or released, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or complementary information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(4) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report causes of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found, a fine of not more than \$500 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such fine concerning aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability for the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(c) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not on board, to depart, at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft; and (2) if any of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) if any of those, as the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulation prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or laming, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10.00 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. Each alien concerning aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the list. The payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 18 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Stanley B. King, of the U.S.S. 100, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

1955

Master, First or Second Officer

Robert H. Berman

Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine; and, in the event such fine is imposed, while it remains unpaid, nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164; 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Harry Becker Chief Steward, of the M/S Debrett, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

2nd

day of

February

1955

Chief Steward

Richard H. Heston
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Master Commanding Officer

SEC. 251. (a) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the commanding officer of such vessel or aircraft to deliver to the immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the departure of that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have departed or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft was on board at the time of such desertion or landing, such alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections, a sum sufficient to defray the cost of the expenses of the United States in detaining such alien, and the cost of the expenses of the United States in detaining such aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to pay such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Master, First or Second Officer.

Richard M. Sullivan
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, STUART A. TULLOCH, MASTER, of the AMERICAN MV F.C. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 2ND day of FEBRUARY, 1955.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. A. Mackenzie, Master, of the SS HAWAIIAN LOGGER, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 3rd day of February, 1955, at San Francisco, California.
E. L. Walker
 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway," a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John L. McQueen Master of the S.S. "LISMORIA" do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

3rd day of February, 1955
E. L. Walker
 Immigration Officer.

J. L. McQueen
 Master

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 251. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, James T. Hall, of the MAI POLE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

Feb.

1955

Master, First or Second Officer.

Robert H. Hall
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

February, 1955

Master, First or Second Officer

Richard J. Sullivan
Immigration Officer

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164; 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **T. A. Mithasael**, Master, of the **SS INDIA MAIL**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this **5th** day of **February**, 19**55**
E. L. Walker,
 Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Master, of the "Martha Klapp", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

Master, First or Second Officer

5th day
E. L. Walker
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number, (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has ~~been~~ ^{is} ~~detained~~ ^{illegally} in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or, while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, HENRY J. HELLMAN, MASTER of the AMERICAN MV F.F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 5TH day of FEBRUARY, 1955

Richard H. Helman
Immigration Officer.

Master, ~~XXXXXXXXXXXX~~

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

(Signature and title of immigrant inspector or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigrant inspector at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

(3)

I, S. C. Smith, Jr., 1, 1955, of the S. S. Washington, do solemnly swear that the foregoing lists Nos. 1-1 to 1-1, and manifests Nos. 1-1 to 1-1, subscribed by me, and now delivered by me to the Collector of Customs at the Port of San Francisco, WASHINGTON, are full and perfect lists and manifests of all the passengers taken on board the said vessel at San Francisco, California, from which port said vessel has now arrived; and that on the said documents are truly shown the name of each passenger, his age and sex, whether married or single, whether a cabin or steerage passenger and, if other than cabin, location of compartment or space occupied during the voyage, whether a citizen of the United States, and the number and description of the pieces of baggage, and the name and age of each deceased passenger and the cause of his death.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, *Arthur J. Allard*, of the *M.V. Le Mans*, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

1955

Arthur J. Allard
Master, First or Second Officer.

Robert L. Brown
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John M. O'Brien, Master, of the S.S. Rembrandt Silverbow, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of February, 1955

Immigration Officer.

John M. O'Brien
Master, First or Second Officer

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this subsection shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Edw C Hayler, of the Co. Steamer, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before ~~me~~ this

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

Master, Commanding Officer.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the _____, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this _____ day of _____, 1955.

John L. Lapin
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and render upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, J. J. Goldstein, of the San Diego, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

1952

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

1955 MAR-2 AM 8:59

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897, 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside the United States, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

Master and Commanding Officer.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 3, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived to be impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

~~Master~~ Commanding Officer.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Robert H. Stark, Master of the SS. Fresno Star, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

February, 1955

Master, First or Second Officer.

Richard Whitburn
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-189) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(c) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 261. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Arthur J. Callant, of the SS. S. S. M. M., do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 17th day of July, 1952
Arthur J. Callant
 Immigration Officer.

Arthur J. Callant
 Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Henry Shaw Master, of the SS PACIFIC FORTUNE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 12

day of February, 1955

Master, First or Second Officer.

Nathaniel M. McElhenny
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

100/55-2 001-2

I, W. L. Davidson, of the Steamer S. Alamos, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

W. L. Davidson
Master, First or Second Officer.

W. L. Davidson
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees: when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (48 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, H. J. HELLMAN, MASTER, of the AMER OIL SCREW F. F. LOVEJOY, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this THIRTEENTH day of FEBRUARY, 1955.
John L. Lagon
 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Alex. JENSEN, MASTER, of the M. S. OCEAN MAIL, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Master, First or Second Officer.

John L. Lapous
Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

110/55
Form approved
Budget Bureau No. 43 R066.4.

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

Master—Commanding Officer

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

John E. George
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be remitted or refunded.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, James R. Foley, of the P. F. M., do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted
the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

Master, First or Second Officer.

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

J. A. Foley Master.

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Secretary of Labor shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Secretary of Labor, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.

In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Immigration Officer

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, _____, of the M/S PORTLAND, do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted
the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

16th

day of

February

1952

Master, First or Second Officer.

John L. Lapous
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Jason R. De Groot, of the Leam State, do declare
that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted
the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

17th

day of

Feb

1955

John L. Luper
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine.* (39 Stat. 896-897; 8 U. AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, MASTER, of the M/V LA BELLE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

17th

day of

FEB

1955

Master, First or Second Officer

[Signature]
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this subsection shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged; and of those, if any, who have deserted or landed at that port; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in trade on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of arrivals, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

Immigration Officer.

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Immigration Officer.

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Master—Commanding Officer.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

Immigration Officer.

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, John A. Maru, Master, of the SS. MARU, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of February, 1955

Master, First or Second Officer.

John A. Maru
Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

I, Vernon Lams, Master of the USNS JAMES O'HARA, do solemnly swear that the foregoing lists Nos. 101 to 106, and manifests Nos. 1 to 3, subscribed by me, and now delivered by me to the Collector of Customs at the Port of Seattle, Washington, are full and perfect lists and manifests of all the passengers taken on board the said vessel at Yokohama, Japan, from which port said vessel has now arrived; and that on the said documents are truly shown the name of each passenger, his age and sex, whether married or single, whether a cabin or steerage passenger and, if other than cabin, location of compartment or space occupied during the voyage, whether a citizen of the United States, and the number and description of the pieces of baggage, and the name and age of each deceased passenger and the cause of his death.

Sworn to before me this 19th
day of February, 1955.

(State whether Master, or First or Second Officer)

, of the S/S. USIS JAMES O'HARA, from Seattle, Wash.

do solemnly swear that I have caused the surgeon of the said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing manifest sheets; that from the report of the said surgeon and from my own investigation I believe that no one of the said aliens is of any of the classes excluded from admission into the United States by the laws regulating immigration; and that also, according to the best of my knowledge and belief, the information contained in the said lists Nos. 101 to 106 of United States citizens and nationals and manifests Nos. 1 to 3 of aliens concerning each of the persons named therein is correct and true in every respect. I do further solemnly swear that, to the best of my knowledge and belief, the said vessel is owned by Dept. of the Navy, whose address is Washington 25, D.C.; that the local agents for the said vessel for the trip reported in this manifest are LOSTHOFF-PACIFIC AREA, whose address is Seattle 4, Washington; and that any transactions concerning head tax for alien passengers shown by this manifest should be made with U. S. IMMIGRATION, whose address is Airport Way, Seattle 4, Washington

Sworn to before me this 11th

day of February, 1955

at Seattle, Washington

I, RICHARD L. ALLEN

, surgeon of the S/S. USIS JAMES O'HARA (T-AP 172), sailing therewith, do solemnly swear that I have had 2 years' experience as a physician

(State whether surgeon "sailing therewith" or "employed by owners thereof" as the case may be)
and surgeon and am entitled to practice as such by and under the authority of U. S. Navy; that I have made a personal examination of each of the aliens named herein; and that the information contained in the foregoing manifests Nos. 1 to 3, including Form I-442 attached thereto and made a part thereof, according to the best of my knowledge and belief, is full, correct, and true in all particulars, relative to the mental and physical condition of such aliens.

Sworn to before me this 12th

day of February, 1955

at Seattle, Washington

Richard L. Allen
RICHARD L. ALLEN

(Signature and title of immigrant inspector or other officer authorized to administer oaths)

NOTE.—If a surgeon sails with the vessel, this affidavit of verification shall be executed before an immigrant inspector at port of arrival, and any changes that may have occurred en route in the condition of any of the aliens must be noted on the manifest before the affidavit is executed.

If no surgeon sails with the vessel, the affidavit of verification shall be executed at the port of departure before some officer authorized to administer oaths.

(3)

I, Vernon Lams

, Master of the S/S. USIS JAMES O'HARA, do solemnly swear that the foregoing lists Nos. 101 to 106, and manifests Nos. 1 to 3, subscribed by me, and now delivered by me to the Collector of Customs at the Port of Seattle, Washington, are full and perfect lists and manifests of all the passengers taken on board the said vessel at Yokohama, Japan, from which port said vessel has now arrived; and that on the said documents are truly shown the name of each passenger, his age and sex, whether married or single, whether a cabin or steerage passenger and, if other than cabin, location of compartment or space occupied during the voyage, whether a citizen of the United States, and the number and description of the pieces of baggage, and the name and age of each deceased passenger and the cause of his death.

Sworn to before me this 19th

day of February, 1955

V. Lams
Deputy Collector.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Thomas S. Graham, Master, of the British s.s. "Laurentia", do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

T. S. Graham, Master.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

SEC. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed there at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. The fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Rupert R. Rothermel Master, of the Eat. M. M. MARPOLE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

1955 day of February, 1955

[Signature]
 Master, First or Second Officer.

Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

4

I acknowledge that section 251 (d) of the Immigration and Nationality Act imposes a fine of \$10 for each change in crew not reported by me. I certify that the foregoing is a complete and accurate report, and that, should any additional changes in crew occur before departure from this port, I will report such changes to the immigration authorities.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Master, of the S.S. T. Lundberg, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 18th day of February, 1952.
John L. Lapom
 Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Charles M. Lang, of the Am. Ol. s. RUTH ANN, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this

day of

February

19 55

Master, Charles M. Lang

Immigration Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

EXTRACT FROM IMMIGRATION AND NATIONALITY ACT

Sec. 251. (c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by subsections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding subsections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

(e) The Attorney General is authorized to prescribe by regulations the circumstances under which a vessel or aircraft shall be deemed to be arriving in, or departing from the United States or any port thereof within the meaning of any provision of this chapter.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, PHILIP F CURRAN MASTER, of the LIBERIAN SS ALDERSHOT, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Johannes A. FOLVIG, Master, of the SS DENISE, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this 22nd day of February, 1955
Richard M. Hutchinson
 Immigrant Inspector.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form 1-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

Sec. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

Sec. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

Sec. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

Sec. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, Stuart A. Tulloch, Master, of the liner Oil/Screw S.S. LEVANT, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the extracts from the Immigration and Nationality Act, which appear below.

Sworn to before me this 22 day of February, 1955.
[Signature]
 Immigration Officer.

[Signature]
 Master, First or Second Officer.

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, **Durley A Durrant, Master**, of the **S.S. Washington Mail**, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Sworn to before me this

22nd day of February, 1955

John L. Lepore
Immigrant Inspector.

Master, *Durley A Durrant*

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 35 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164; 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. H. THASSEN, of the INDIA MAIL, do declare that the foregoing is a full and true list of all the crew brought in said vessel from any port or place during her present voyage. I have noted the copy of section 36 of the Act of February 5, 1917, extract from Title 8, Code of Federal Regulations, and copy of sections 19 and 20, Act of May 26, 1924, which appear below.

Master, INDIA MAIL

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on blank forms approved by the Department and be ready for delivery to the immigration inspector boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be made on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

EXTRACT FROM ACT OF CONGRESS OF FEBRUARY 5, 1917, AS AMENDED

SEC. 36. That upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration officer in charge of the port of arrival lists containing the names of all persons employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required; and no such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (39 Stat. 896-897; 8 U. S. C. 171.)

EXTRACT FROM 8 CFR 120

SEC. 120.12. Lists of alien employees; when clearance of vessel denied. Clearance shall not be granted any vessel until the lists required by section 36 of the Immigration Act of 1917 (39 Stat. 896; 8 U. S. C. 171), have been furnished, and not then unless notice of liability to the administrative fine prescribed by said section or to that prescribed by section 36 of said Act (39 Stat. 896; 8 U. S. C. 169) having been served, the deposit specified in §§ 160.13-160.17, has been made.

EXTRACT FROM ACT OF CONGRESS APPROVED MAY 26, 1924, AS AMENDED

ALIEN SEAMEN

SEC. 19. No alien seaman excluded from admission into the United States under the immigration laws and employed on board any vessel arriving in the United States from any place outside thereof, shall be permitted to land in the United States, except temporarily for medical treatment, or pursuant to such regulations as the Attorney General may prescribe for the ultimate departure, removal, or deportation of such alien from the United States. (43 Stat. 164, 8 U. S. C. 166.)

SEC. 20. (a) The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of \$1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each seaman in respect of whom such failure occurs, upon such terms as the Attorney General in his discretion shall think proper. This section, as amended, shall apply to all penalties arising subsequent to June 5, 1940.

(b) Proof that an alien seaman did not appear upon the outgoing manifest of the vessel on which he arrived in the United States from any place outside thereof, or that he was reported by the master of such vessel as a deserter, shall be prima facie evidence of a failure to detain or deport after requirement by the immigration officer or the Attorney General.

(c) If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (43 Stat. 164-165, 58 Stat. 816; 8 U. S. C. 167 (a), 167 (c).)

IMPORTANT NOTICE TO MASTER

The list described below shall be prepared on forms approved by the Department and be ready for delivery to the immigration officer boarding the vessel at the port of arrival, and shall in no instance be taken from the vessel. The list of changes of alien members of crews (Form I-489) shall not be retained on board, but shall be delivered by the master to the principal immigration officer at the port. When an arriving seaman is a "workaway" a notation to that effect should be inserted in column 10 on the manifest. In order to facilitate inspection of alien seamen, include names of arriving American citizen seamen as well as aliens.

When any member of the crew shall have been treated or furnished medicine during the voyage for any of the diseases or disabilities specified in section 255 of the act, notation to that fact shall be made in column 8 opposite the name of the crewman receiving such treatment or medication.

In column 9 opposite the name of each alien crewman shall be shown the serial number (including any letter which is a part thereof) of any Immigration or Foreign Service form in his possession which, under the act, he is required to present and surrender upon applying for admission to the United States.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.

EXTRACTS FROM IMMIGRATION AND NATIONALITY ACT (JUNE 27, 1952)

Section 251. (a) Upon arrival of any vessel or aircraft in the United States from any place outside the United States it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof to deliver to an immigration officer at the port of arrival (1) a complete, true, and correct list containing the names of all aliens employed on such vessel or aircraft, the positions they respectively hold in the crew of the vessel or aircraft, when and where they were respectively shipped or engaged, and those to be paid off or discharged in the port of arrival; or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(b) It shall be the duty of any owner, agent, consignee, master, or commanding officer of any vessel or aircraft to report to an immigration officer, in writing, as soon as discovered, all cases in which any alien crewman has illegally landed in the United States from the vessel or aircraft, together with a description of such alien and any information likely to lead to his apprehension.

(c) Before the departure of any vessel or aircraft from any port in the United States, it shall be the duty of the owner, agent, consignee, master, or commanding officer thereof, to deliver to an immigration officer at that port (1) a list containing the names of all alien employees who were not employed thereon at the time of the arrival at that port but who will leave such port thereon at the time of the departure of such vessel or aircraft and the names of those, if any, who have been paid off or discharged, and of those, if any, who have deserted or landed at that port, or (2) in the discretion of the Attorney General, such a list containing so much of such information, or such additional or supplemental information, as the Attorney General shall by regulations prescribe. In the case of a vessel engaged solely in traffic on the Great Lakes, Saint Lawrence River, and connecting waterways, such lists shall be furnished at such times as the Attorney General may require.

(d) In case any owner, agent, consignee, master, or commanding officer shall fail to deliver complete, true, and correct lists or reports of aliens, or to report cases of desertion or landing, as required by sub-sections (a), (b), and (c), such owner, agent, consignee, master, or commanding officer, shall, if required by the Attorney General, pay to the collector of customs of any customs district in which the vessel or aircraft may at any time be found the sum of \$10 for each alien concerning whom such lists are not delivered or such reports are not made as required in the preceding sub-sections. No such vessel or aircraft shall be granted clearance from any port at which it arrives pending the determination of the question of the liability to the payment of such fine, and if such fine is imposed, while it remains unpaid. No such fine shall be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a bond or a sum sufficient to cover such fine.

Section 254. (a) The owner, agent, consignee, charterer, master, or commanding officer of any vessel or aircraft arriving in the United States from any place outside thereof who fails (1) to detain on board the vessel, or in the case of an aircraft to detain at a place specified by an immigration officer at the expense of the airline, any alien crewman employed thereon until an immigration officer has completely inspected such alien crewman, including a physical examination by the medical examiner, or (2) to detain any alien crewman on board the vessel, or in the case of an aircraft at a place specified by an immigration officer at the expense of the airline, after such inspection unless a conditional permit to land temporarily has been granted such alien crewman under section 252 or unless an alien crewman has been permitted to land temporarily

under section 212 (d) (5) or 253 for medical or hospital treatment, or (3) to deport such alien crewman if required to do so by an immigration officer, whether such deportation requirement is imposed before or after the crewman is permitted to land temporarily under section 212 (d) (5), 252, or 253, shall pay to the collector of customs of the customs district in which the port of arrival is located or in which the failure to comply with the orders of the officer occurs the sum of \$1,000 for each alien crewman in respect of whom any such failure occurs. No such vessel or aircraft shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except the clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs. The Attorney General may, upon application in writing therefor, mitigate such penalty to not less than \$200 for each alien crewman in respect of whom such failure occurs, upon such terms as he shall think proper.

(b) Except as may be otherwise prescribed by regulations issued by the Attorney General, proof that an alien crewman did not appear upon the outgoing manifest of the vessel or aircraft on which he arrived in the United States from any place outside thereof, or that he was reported by the master or commanding officer of such vessel or aircraft as a deserter, shall be prima facie evidence of a failure to detain or deport such alien crewman.

(c) If the Attorney General finds that deportation of an alien crewman under this section on the vessel or aircraft on which he arrived is impracticable or impossible, or would cause undue hardship to such alien crewman, he may cause the alien crewman to be deported from the port of arrival or any other port on another vessel or aircraft of the same transportation line, unless the Attorney General finds this to be impracticable. All expenses incurred in transferring an alien crewman from one place in the United States to another under such conditions and safeguards as the Attorney General shall impose, shall be paid by the owner or owners of the vessel or aircraft on which the alien arrived in the United States. The vessel or aircraft on which the alien arrived shall not be granted clearance until such expenses have been paid or their payment guaranteed to the satisfaction of the Attorney General. An alien crewman who is transferred within the United States in accordance with this sub-section shall not be regarded as having been landed in the United States.

Section 255. It shall be unlawful for any vessel or aircraft carrying passengers between a port of the United States and a port outside thereof to have employed on board upon arrival in the United States any alien afflicted with feeble-mindedness, insanity, epilepsy, tuberculosis in any form, leprosy, or any dangerous contagious disease. If it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel or aircraft and that the existence of such affliction might have been detected by means of a competent medical examination at such time, the owner, commanding officer, agent, consignee, or master thereof shall pay for each alien so afflicted to the collector of customs of the customs district in which the port of arrival is located the sum of \$50. No vessel or aircraft shall be granted clearance pending the determination of the question of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums or of a bond approved by the collector of customs with sufficient surety to secure the payment thereof. Any such fine may, in the discretion of the Attorney General, be mitigated or remitted.
